

The Six Tools You Need To Get Drafted

“I knew about the 5 tools, but looking back it was the sixth tool that was the secret to my success.”

By Ricky Caputo

First I will cover the 5 tools scouts look for in potential draft picks.

Speed
Arm Strength
Defense
Hit for Contact
Hit for Power

3 hour clinic

Then I will cover the 6th and most important tool.

Mental toughness

Tricks to controlling your emotions
Turning Failure and Frustration
Into Information
The power of the
“Over Adjustment”

And so much more...
