

LONG ISLAND MARINERS

Dear Sponsor,

The Long Island Mariners are putting together a sponsorship program to assist our players to compete on the highest level of travel baseball. The Mariners, which were established in 1993, are the longest Suffolk County summer travel baseball program. Many of our players have gone on to play college baseball and a couple have had the opportunity to go on to play professional baseball.

The 2009 campaign was extremely productive. Our 17U and 18U teams played over a hundred games and played in 8 tournaments. Our 15U team beat some of Long Island's top programs while finishing as the runner up in the Babe Ruth New York City Regional Tournament. We have become an organization that gets invited to tournaments yearly. Our motto here is "We will play anybody, anytime, anywhere."

With the growing cost of workout gear, and league and tournament fees, the L.I. Mariners Organization is trying to help offset expenses with this sponsorship program. With your support we can fully equip our players with the gear and league and tournament experience they need. This sponsorship will also help you advertise your business to the families who are apart of our organization and the thousands who visit our website and facility.

Let me thank you in advance on behalf of the players, coaches, and family for your continuous support of the baseball program. We hope that in the near future you can become part of our baseball family. Thank you again, and hope to see you down at a L.I. Mariners game soon!

Sincerely,

The L.I. Mariners Family
